We have a twofold mission for our wine program here at 2941: To offer our guests the best possible wines, and to complement these selections with information and knowledge. Our goal is to offer wines of balance, finesse, character, and subtlety. Wines which can enhance the cuisine of Chef Chemel and your experience here at 2941. Perhaps you're looking to delve into the classic regions of Burgundy, Bordeaux, or California. Or maybe you'd like to dig deeper into the newer, lesser-known wine-growing areas. From the exclusive to the provocative, we intend to provide the finest wines for your enjoyment.
