THE CEREMONY

"This was the perfect place to start the rest of our lives"

The most important part of any wedding day is the marriage ceremony, and our team is committed to making certain it goes as smoothly as possible. The ceremony may be held indoors, or outdoors on the lakeside terrace. If you choose to have your ceremony outdoors, we ensure a back-up ceremony space is available in the case of inclement weather. Every wedding package includes a complimentary time set aside for you and your bridal party to rehearse for the ceremony.
